SUMMARY

Versatile Web Developer specializing in front end development. Experienced with all stages of the development cycle for dynamic web projects, my abilities to perform a variety of tasks related to web development have become a second nature to me. Able to effectively self-manage during independent projects as well as collaborate in a team setting by leveraging my experience in:

- Javascript ES6
- React / Redux
- Angular / Ionic
- HTML / CSS / SASS
- Bootstrap / React-bootstrap
- GitLab / Bitbucket
- NPM / Webpack / Grunt
- Agile Methodology
- JSON / REST
